We offer two EASY ordering options

Option 1: On-Line

Download our price guides for the door ranges you are interested in.

Check your kitchen door sizes are available in that range.

Quickly navigate to your chosen door range using the top menu. From this page you can quickly order your doors by firstly selecting the required height then picking from the available widths and entering your quantity.

Repeat this for each door height.

Quickly and simply you will have your new kitchen doors ordered and be ready to make payment!

Upon ordering we advise you register so you can easily track your order at any time.

Option 2: E-Mail

Register on-line and then download our price guides for the door ranges you are interested in.

Check your kitchen door sizes are available in that range.

Then e-mail us at info@identitydoors.co.uk with the door sizes you wish to order including door range details.

(You may wish to download our Order Form)

Within 2 working hours you will be e-mailed to say that your doors have been entered onto your account and waiting confirmation & payment.

There is **NO** obligation to buy using this method!
